

BIO-CLEAN®

The Friendly Bacteria Waste Eliminator

BOAT & RV MAINTENANCE

Bio-Clean's unique formula of all natural enzymes and bacteria work together to eliminate odours, solids, and all other forms of dead organic waste!

Bio-Clean is NSF Certified Safe ensuring you're receiving a 100% safe product that comes with an industry exclusive money back guarantee!

No more embarrassing smells and no more problems emptying your tanks.

Bio-Clean ensures that no matter where you empty your tanks, you're in regulation with park by-laws and regulations.

RECOMMENDED DOSAGES

BLACK WATER TANKS

After cleaning out your tank, wait for a full day of use. Before bedtime, apply 2-3 scoops of Bio-Clean and flush down the toilet. Do not use deodorizers or chemicals. Repeat weekly or after every tank emptying.

GREY WATER TANKS

After cleaning out your tank, wait for a full day of use. Apply 2-3 scoops of Bio-Clean mixed in 1/4 gallon warm water; pour down any sink or shower drain. Do not use deodorizers or chemicals. Repeat weekly or after every tank emptying.
